REMARKS/ARGUMENTS

This Amendment is submitted in response to the Office Action mailed October 15, 2007. The deadline for responding expires on January 15, 2008.

I. Introduction

Claims 1-37 and 39-48 stand allowed. Claim 38 has been rejected. Accordingly, claims 1-48 are now pending in the application.

In the office action, the Examiner rejected claim 38 as being directed to non-statutory subject matter since the claim referred to machine executable instructions. The Applicant has amended claim 38 so that it is now directed to "a **computer** readable medium embodying **computer** executable instructions for..." thereby overcoming the Examiner's rejection. Accordingly, it is respectfully submitted that claim 38 is now in condition of allowance.

Applicant has further amended claims 16, 20, 24, 36, 37, 40, 42, and 46 to address grammatical/typographical errors, address antecedent basis issues and/or to clarify the claims so that the elements are referred to in a consistent manner. Applicant requests that the Examiner review and approve the amendment made herein.

II. Conclusion

In view of the foregoing amendments and remarks, it is respectfully submitted that the pending claims are in condition for allowance. Accordingly, it is requested that the Examiner pass this application to issue.

If there are any outstanding issues which need to be resolved to place the application in condition for allowance **the Examiner is requested to call (732-542-9070) and schedule an interview with Applicant's undersigned**
